UPDATES:

Ligularia Plants: We are giving away a limited number of plants on October 10th from 10-12pm. Please contact The Preserve by October 9th to arrange pick up if you are interested in a plant or two. These perennial plants grow to three feet tall and three feet wide. The large purple tinged foliage topped with bright yellow flowers of Ligularia have a dramatic effect in a part-shade or shade garden and attract pollinators such as bees and butterflies.

Grant: We have been selected to receive a Cost Share Grant from the Riley Purgatory Bluff Creek Watershed. It will allow us to plant prairie grasses and flowers around the Dive Well where the Japanese Knot weed was removed. We will also be transforming the 19,000 SF of lawn south of the path near the volleyball court into a native grass and flower area. Interested in learning more about protecting clean water and restoring healthy habitat? Visit www.rpbcd.org.

Women, Money and Trauma: What is the trauma of money and how does it affect women? Come to the Barn for this workshop on woman, money and trauma. Thursday, October 24th 4:00 -8:00 pm. For more information on cost and how to register, contact www.move-as-one.com or call Julie at 612-598-5355.

Another Great Pool Season Comes To A Close.

We hope you enjoyed your time at The Preserve Pool. We would like to thank everyone who used the pool along with our amazing staff that helped make it happen. Beach Blast was a big hit. Our life guard staff did a wonderful job organizing, and we hope to have even more kids join us next year. It's never too early to send in an application to life guard for next year.
