Preserve News

Preserve Classified

In our next edition we will be adding a new feature for residents. It's classified ads for items you may have for sale or for services provided. All listings would need to be in the office on a timely basis for our next newsletter in early September. Call for the office for details. The Board/management will reserve the right to edit listings.

Notary

We do have Notary service available free for any Preserve residents. Call the office for availability.

Neighborhood Upkeep

Remember that the Preserve has Design Review guidelines that all residents should follow if you are changing the exterior of your home such as painting or major landscape changes. See our website for a complete listing of guidelines and for forms.

Garbage Can storage

Please be respectful of your neighbors and follow the rules of both the Preserve Association and the City of Eden Prairie. All trash, yard waste and recycling containers may not be stored outside in the open. They must be stored inside the garage or screened from public view.

Biker Alert

Bikers please use caution when approaching people from behind on our pathways, especially when they are walking a dog. Shout "On your left" or "On your right" in time for the walker to secure their dog firmly. This will avoid the dog, unaware of your presence, from crossing your path and having an accident.

Board Updates

The Preserve Board of Directors has two new members for the 2015-2016 year. Welcome to Chris Domnisoru and Traci Bartz as new directors. Continuing Board members include Tom Heller; President, Ken Hallonquist; Vice- President, Inga Borggreve; Treasurer, Tim Rush; Secretary and Directors Paul Musegades, Jim Gilbert and Bruce Hellier.

Every year the Board is charged with decisions as to what are the needs in the Preserve. We are now 45 years old and have many items that require attention. We are able to take on large projects by building up our reserve funds because we can't borrow dollars. We must also be mindful to have enough funds available for potential emergency expenses.

This year your Preserve dues have been hard at work with replacement of pathways in the Northmark neighborhood, tree replacements/plantings in several areas of the Preserve and the "Preserve" signature rocks with perennial gardens on two street corners of Preserve property. Along with these Improvements the Board made the decision to update and remodel the Preserve pool building which is 40 years old this year. The entry space, guard room, locker rooms and shower spaces were all reconfigured and are much more functional. These improvements help to maintain the value of the amenities of the Preserve Association. Stop by and check them out.
