Little Free Libraries Up and Running

We now have 3 Little Libraries in the Preserve located at the Barn playground, Stan Nesbitt Trail on Center Way, and at the Basswood Road Tot Lot. There are additional libraries on Amsden Way and Clubhouse Road. Adult and children book donations are accepted in the boxes or at the Preserve Barn. Enjoy Reading the Summer!

Little Free Library is a nonprofit organization that supports the worldwide movement to offer free books housed in small containers to members of the local community.

How it works: The libraries belong to everyone. Anyone may use them. They offer a way to share good things to read.

Preserve Updates

Diving Well

This spring the Board approved resurfacing of the 40 year old Diving Well. Each year was costing more to plaster, patch, retile and paint. As a result we have had the walls repaired and resurfaced with a different process that will last for many years to come and will save us money on patching and chemicals used for treating the water. The product has only been in the U.S. for about five years and in Europe for over 20 years. It is a surface that is used in Sea World pools and is very environmentally friendly. The best part is it was less expensive than the other process of plastering.

Trees and Wildflowers

The Board for the second year has worked to place a variety of new trees throughout our properties that over time will help to offset the trees we lose each year. In addition to trees we have seeded some common areas with wildflowers and many are beginning to emerge and will be growing for many years to come.

“Spirit of the Preserve”

If you have a neighbor you would like to recognize for taking good care of their property and stands out as a great neighbor please let us know. We will be recognizing Preserve residents in upcoming newsletters. Send an email to carol@preserveassociation.com with a brief paragraph and a picture if you have one. All categories are welcome- great landscaping, attractive exterior appearance, holiday decorations, just a very helpful person/neighbor -they all count.

Preserve Park Parties

Preserve Residents Only

A permit is required for any group requesting a party of 15 or more (maximum 30). Check in the office for availability and obtain a permit. Anyone without a permit may be asked to leave. There is a \$5.00 fee for the permit. All groups in the park must clean up after the party, put trash in the cans, put tables back where they originated.
