A Painting Experience at the Preserve Barn (Also benefits PROP)

This is an evening full of artistic fun with friends and neighbors. All of your painting supplies including an apron to keep your clothes clean are waiting! A little nervous to paint? Don't be! No talent or experience is necessary. A seasoned instructor will guide you step-by-step! You will be amazed at your very own work of ART!

Included are refreshments (wine, water, and pop) and hors d'oeuvres during the event. We also encourage each participant to bring non perishable items for PROP- our local food shelf.

An Eden Prairie Police Officer specializing in Crime Prevention will speak about simple ideas from how you light your home to the more advanced things you can do to be safer in your community. Learn what to do in an emergency, when to call the police and how we can be better prepared in our neighborhoods. Information on forming Neighborhood Watch groups will also be discussed.

Trash, yard waste and recycling containers may not be stored outside in the open, but must be stored inside the garage or screened from public view. This is a city ordinance.

Please be respectful of your neighbors and adhere to these city rules!

The Tennis/Pickleball Courts are up and running!

New Backboard!

The project is finished and this is one of the many things your association dues allow for. Without monies in our reserve funds we cannot maintain the facilities we have, so thank you for your association dues. We now have in combination three tennis courts, four pickleball courts, a backboard, and a new lawn game area. Portable pickleball nets, racquets, and balls are available for use by our members and can be checked out from the office.
