Happy New Year from The Preserve!

We hope your year is off to a great start.

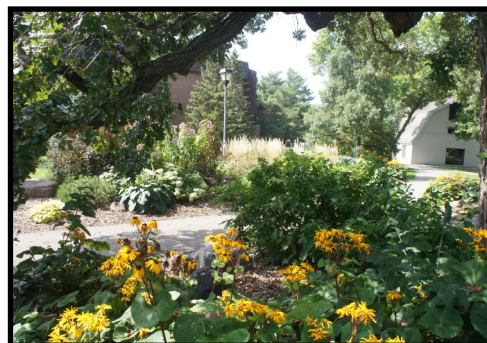

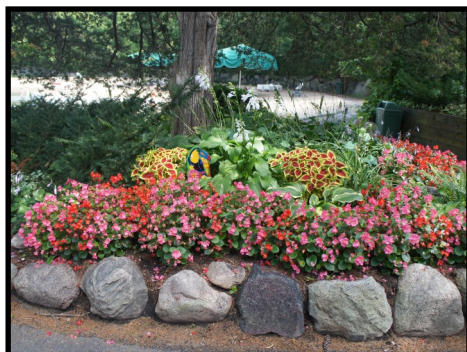

The mission of The Preserve is to create and maintain a desirable place to live with a strong sense of community. With that in mind, we are off to a great start as we plan events for the coming year.

We were inspired by the feedback we received on our 50th Anniversary events. Especially Pickleball and Bingo. We are in the process of organizing a Pickleball tournament and BINGO night for this summer, be on the lookout for those events. Look for a 5k run in early fall as well.

Our traditional events will also continue: Annual Garage Sale on May 20th, Beach Blast in July, Beach BBQ in August and Santa in December. If you are interested in being on an activity committee, there is always room to join us.

Preserve Cleanup Day!

Clean up around The Preserve and along Anderson Lakes Parkway. Meet at the Barn at 10 am on Earth Day, April 22nd Gloves and trash bags will be provided. This is a nice event for families and makes great volunteer hours for high school students. Let's take pride in our community and help to keep our neighborhood clean. Please RSVP by April 18th with Cindy

REMINDERS:

Selling your home: Contact The Preserve Office. The new homeowner must be provided a resale disclosure certificate as well as association documents prior to closing. Without it, the sale of your home could be delayed. If you are planning to sell your home, please let your agent know you are part of The Preserve Association and have them contact cindy@preserveassociation.com. If you live in a town house or condo, you are part of two separate HOA's and both should be contacted by your realtor.

Making changes to your property: if you have any plans for changes to your property, please review our covenants. Any thing done to the outside of your home must be approved by the Design Review committee before starting your project. This includes painting, tree removal, landscaping, driveways & roofs. Forms can be found on our website or by stopping by our office.

Preserve Party Room: The Barn is a great place to host a meeting, shower, graduation, wedding or rehearsal dinner. Dates are filling up quickly. Call Cindy to secure your date.

Dogs in The Preserve: We love seeing dogs in The Preserve. Please remember to keep your dogs on a leash and pick up after them. There are many garbage cans through out, please do not throw waste bags in the trees or in the lake. Thank you.

Email addresses: It is our goal to reduce paper and send as many newsletters by email. If you are receiving our newsletter by mail, please consider contacting us to have it emailed. We only use your email address to send newsletters and reminders about events in The Preserve. The annual dues and Annual Meeting information will still be mailed.
