Caroline Larsen

We are very proud of our own Lifeguard Caroline Larsen. She recently posted a time in the 50-meter freestyle that qualified her for the U.S. Olympic Trials in June 2024. There she will be competing for a position on the U.S. team that will travel to the Paris Olympic Games later that summer. Caroline is in her third year working at The Preserve Pool. She will be a Senior this fall at EPHS and then after the Olympic Trials and hopefully a trip to Paris, she'll be off to the University of Louisville to swim for the Cardinals in college. Look for Caroline next time you visit the pool and wish her well in her upcoming competitions.

Reminders:

Grass clippings: When mowing, please avoid blowing grass clippings on to the street. Nitrogen that is beneficial to lawns is a product of the clippings, that nitrogen can get into local storm systems, streams and rivers. Help keep our water ways clean by not blowing yard debris and clippings into the streets.

Selling Your Home: Contact the Preserve Office. The new homeowner must be provided a resale disclosure certificate and dues current letter as well as association documents prior to closing. If you live in a town house or condo, you are part of two separate HOA's and BOTH need be contacted by your realtor. Please have your realtor contact cindy@preserveassociation.com to get the documents needed.

Design Review form: Anything done to the outside of your home must be approved by our design review committee. A form can be found on our website at www.preserveassociation.com (residents, information for buying and selling properties) or by contacting The Preserve. We would love to see photos of your finished projects, please email them to cindy@preserveassociation.com for future publications.

Guest Passes: The Preserve wants you to have a great summer at the pool. Everyone that lives in The Preserve has been given 12 guest passes added to their household. This is per household not per person. If you bring a guest to the pool, please let the pool staff know that you have a guest before they check you in and your guest will be able to enter the pool with you. After the 12 have been used, they can still come in as your guest at \$5.00 for adult and \$3.00 per child.

Trash Cans: Please remember to put trash cans away.

Dogs: We love seeing dogs in The Preserve! Please remember to keep them on a leash and always pick up after them.

Pollinator projects

Our pollinator projects continue to attract Butterflies, Bumblebees, Birds and other insects. Once established, they don't require watering - even in these draught years - as their roots run so deep into the ground they can find water. Our latest projects are at Center Way and Anderson Lakes Pkwy as well as the shoreline on the West end of Neill Lake. We will be hosting a Garden Tour with Wild Ones Prairies Edge on Tuesday August 8th at 6:30 pm.

Goats:

Be sure to watch for the goats that will be returning the end of July. Look for them in the two areas along Neill Lake that they have been in the past. Warning: Always remember to stay away from the fence, it's electrified to keep the goats in. Also, please don't feed the goats. Their job is to eat the buckthorn!
