My Very Own Bed

Looking for an opportunity to help the community and support children's health and wellbeing? ***My Very Own Bed*** is a local non-profit organization created to provide new beds, bedding, stuffed animals, and books to children and adolescents after experiencing homelessness or unstable housing. Once stable housing is established, many children still find themselves sharing a bed with parents or siblings or sleeping on the floor. ***My Very Own Bed*** was created to ensure that each child has their own bed to support healthy sleep and as a result, healthy learning and growth.

The Preserve is collecting NEW, UNUSED twin- size mattress pads, sheet sets, and blankets; pillows; stuffed animals; and new or gently-used books for children ages 2-17 years old to be given to this organization where they will be distributed throughout the metro to families in need. Monetary donations are also appreciated. Donations will be accepted during the "Summer Social" on Friday, August 9th at a table set up near the bingo tent. The Preserve office will also accept items during office hours. Please support this amazing cause.
